

AI Simultaneous Interpretation Sentio Conference Plan

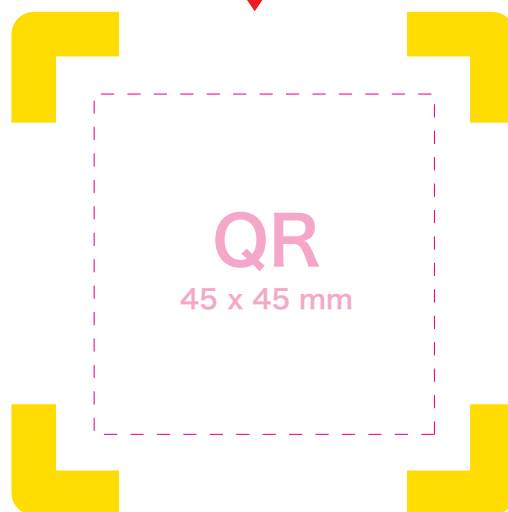

Sentio

発表した新製品は、会場に QR コードを表示しておくことによって、会場の皆さんが使えるようになります。このように話した言語が翻訳され、手元のスマートフォンに表示されます。同時に音声を流すこともできます。

The new products announced will be made available to everyone at the venue by displaying QR codes there. In this way, the language you speak will be translated and displayed on your smartphone. You can also stream audio at the same time.
